Memorandum

September 14, 1988

To: Mike Spear, Regional Director, USFWS
From: District Manager, Phoenix District
Subject: Sonoran Pronghorn Antelope Recovery Team.

We have recently had some changes in our District Staff. Mark Fredlake is now working in Southeastern Arizona for the Safford District. His replacement is Tim Goodman.

Due to this change, we would like you to consider a change in the Recovery Team. We would like to withdraw Mark Fredlake from the team, and submit Tim Goodman as his replacement. Both Tim and Mark are agreeable to this change. This change will allow for a continued presence and input from the Bureau of Land Management on this important interagency team.
